SPC 2018/19 冠軍隊伍的分享

Sharing from Winning Teams of SPC 2018/19

Junior Winning Team – Stewards Pooli Kei College

When did you enjoy a Hong Kong local film in a cinema last time? Hong Kong's film industry has a glorious page once in our city's history. Undeniably, rising challenges such as the widespread usage of the internet and streaming TV, have threatened our film industry in the recent decade. In this project, we aimed at studying the development of the Hong Kong film industry and its situation in the past decades.

In this competition, we have faced tremendous obstacles like difficulties in the access and filtration of suitable data, analysis and the presentation of the data by using various charts. Numerous research on data had already been carried out months ago before we start the study. Out of many unforgettable lessons learnt, the biggest one is to persevere and to collaborate so that tasks could be achieved in a faster way.

In a nutshell, we would like to express our gratitude to the organizers and judges for their appreciation of our efforts. This competition is a beneficial and prestigious experience which had significantly broadened our horizons and knowledge about data research. Throughout the project, we have pointed out several issues that the local film industry have faced and we sincerely hope that improvements will be made in the future to revitalize our local film industry once again.

Senior Winning Team – C.C.C. Ming Yin College

統計在日常生活中擔當著重要的角色，因為它在掌握社會現況和經濟現象是一項十分得力的工具。因此認識基本統計概念和方法，有助我們明白常見統計數據後的意義。

是次習作提升了我們對研究方法、統計數字和統計技巧的深入瞭解。由於我們的探究議題為香港人的精神健康，在為此空泛的議題定論及建議前，我們需篩選大量有關精神健康的數據，分析哪些最能反映導致健康精神健康的原因和後果。在篩選不少官方和坊間的數據中，不免對統計數字、研究向度和統計技巧有更深入的認識。

另外，以一個科學及客觀的方法去剖析香港人的精神健康問題，我們對本港社會有更全面的認識。香港的整體精神健康狀況屬於可接受水平，但與理想的精神健康還有一段距離。其精神健康問題一直受經濟、社會、環境等各方面的外在條件影響著，不論對個人健康和整體社會都帶來不利的影響。也許這些負面影響在短時間內不會帶來具威脅性的破壞，但港人對精神健康這個議題並不能擱置一旁視而不理。於探討與我們自身息息相關的社會議題時，我們的公民意識也有所提升，如學會如何令社會大眾意識精神健康問題的嚴重性，或建議各持份者如何作出有效的貢獻等等。

我們很高興能在是次比賽中獲獎，感謝主辦單位的青睞及老師的邀請，才令我們有更多學習的體驗和得益。
