

Selected Value: Commitment

Jump!

Lazily lounging on the ridged rocks,
I took a stretch and let out a sigh.
Then, I heard the sound of a lock,
I recognised it, it's him! The guy!

The stench of raw fish flew right to my nose,
My mood brightened immediately, and my head rose.
Waddling, I took a leap of faith into the pool,
Jump! A big splash emerged from the cool,
Zoom, I went, speeding through the blue.

Chasing each other, I needed to win,
the mouth-watering prize of a tasty treat,
was surely mine that's down to pin!
I cannot let them define my defeat,
Don't even let me begin!
