

Diligence

Little Kind-Hearted Guards

Meerkats, meerkats
What responsible creature you are
Even small creatures have heavy duties
Act as guards throughout the day

Meerkats, meerkats
What diligent creature you are
You squeak and peek around
Carrying your job while protecting your mob
Alert others with a bark
Even in the dark

Meerkats, meerkats
What mighty creature you are
One goes out
Another looks out
Scanning the room from left to right
Sensing danger in the region
Smelling scents from miles away
Siblings wallow and follow in the sound
Family groom and play together
Such a wonderland you're living in
